PROGRAMME

2nd Executive Development Programme for Defence Industries

30 May - 25 June, 2022

at
**National Academy of Defence Production
Ambajhari, Nagpur**

OVERVIEW

The course on '**Executive Development Programme for Defence Industries**', has been designed for Executives and Managers of defence industries in India, both in public and private sectors. The focus of the programme would be on various functional aspects of defence production, innovation, avenues of exports and export markets.

This course draws on the cutting-edge research, functional experience in defence management and the latest advancements in modern technology to impart profound understanding of the modern-day defence manufacturing industry. For this Executive Development Programme, eminent faculty members have been drawn from Ministry of Defence, Govt. of India, Ordnance Factories, PSUs, and premier academic institutions like IITs, IIMs, IICA etc. It is expected that participants of this training programme will expand their business acumen in key areas such as defence acquisition, marketing and exports, innovation in defence, emerging technologies, operational and financial aspects of management in defence industries.

OBJECTIVES

- To familiarize the Executives/Managers with the modern-day business of defence industries.
- To provide the understanding of the conceptual and analytical tools necessary to handle managerial challenges.
- To provide them skills related to all significant and emerging fields namely AI, Supply-chain, Product Development including various technical and managerial techniques.

With this objective, NADP has planned a **4-week** course on "**2nd Executive Development Programme for Defence Industries**" from **30th May 2022 to 25th June 2022**.

For the First 3 weeks, the course shall be conducted in **online** mode from **1000 Hrs to 1230 Hrs** and the 4th week classes shall be held at NADP premises **from 0930 Hrs to 1730 Hrs** in physical (**off-line**) mode.
