Sub: COVID-19 – Interim suspension of all CMEs & External Training Programme.

Ref: OFB letters of even No. dated 06-03-2020, 10-03-2020 & 17-03-2020 (02).

In light of the ongoing COVID-19 pandemic and in sync with the guidelines of the Government of India, it has been decided by the Competent Authority at OFB that all scheduled CME & other training programme in r/o Medical Officers, Nursing & Paramedical Staff stand cancelled till 15-04-2020 or till further orders.

However, weekly in-House Training Programmes within the premises of the Hospital will continue as scheduled. Medical Officers In-Charge may ensure that not more than 10-15 Doctors/Nurses/Paramedical Staff attend each such in-House Training Programme and maximum feasible physical distancing is achieved during conduct of such In-House Training Programmes.

It is further suggested that for the time being, all such in-House Training Programmes focus on COVID-19, Infection Control Guidelines and Isolation & Quarantine techniques.
